Please take a few minutes to write about a "Best Practice" that you use in your classroom. This can be a mini-lesson used to do Team Building, an introduction to a unit that grabs their attention, an anecdote that clarifies a concept etc. No need to make photo-copies or to bring extra handouts—unless you really want to. Just write below.

After teaching quickbreads and yeast breads students prepare a double bubble map to compare each bread, they do this in groups. Work is posted on walls. Really clarifies the difference.
